RSPB SPOTLIGHT: EAGLES (PAPERBACK)

Bloomsbury Publishing PLC, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. Eagles are among the most impressive hunters of the animal world. This highly readable study looks separately at both UK eagles, exploring how each is adapted as an apex predator in its own environment, and explores the relationship between the two. Separate chapters cover all aspects of the birds biology and lifestyle, from defending their vast territories to raising their young. Fascinating secrets are revealed, including the brutal truth behind `Cain and Abel syndrome. The book also takes a look at other eagles around the world, placing the two UK species within this broader context. Finally, it examines the complex relationship that humans have enjoyed with eagles since time immemorial, spanning both culture and conservation, and offers expert tips on where and how you can watch these magnificent birds for...
