I love Ella's old-century ideals mixed with the culture we have now. Refreshing! I love that this book is different from the first book. The idealism in the first book is sweet, but this book brings us down from the clouds and back to reality as Gavin discovers that his future depends on the choices he makes now. The relationship between these two characters is incredible, their bond is so strong it feels like they're real people, and what is even more surreal is that I feel like I know them. This book was so beautiful. I love Marilyn Grey's writing both in *Where Love Finds You*, and now even more so in *Down from the Clouds*. THIS IS BOOK 2 OF THE UNSPOKEN SERIES Gavin Kessler is one of the most sensitive and emotional people you'd ever know, except you'd never know it. Trying to find out how he feels is like pulling a one-hundred-pound bucket of water out of a seventy-foot well. But when he finally falls in love and meets the woman of his dreams, who is set on getting to know every part of him, for better or worse, his walls crumble as he is forced to stand face-to-face with the past he's been avoiding. Continue the stories of your favorite characters from *Where Love Finds You* in this sequel written from Gavin's perspective. This can be read as a stand-alone, but is best when followed by *Where Love Finds You* (the first book in The Unspoken Series) This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
