

End Time Notes on the Apocalypse

By G. A. Matiasz

AK Press. Paperback. Condition: New. 299 pages. Dimensions: 8.3in. x 5.5in. x 0.7in. This is a brand new edition of the prescient, near-future thriller. In Alabaster, a small town north of San Francisco, the novel's protagonist, Greg Kovinski, and a group of antiwar college students, gain possession of enough bomb-grade uranium to build a nuclear weapon, and the City of Oakland rises in revolution to become the 21st century's Paris Commune. A compulsive readable thriller combined with a very smart meditation on the near-future of anarchism. End Time proves once again that Sci-Fi is our only literature of ideas....
