Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

Excerpt from Annual Catalogue for School Year 1920-21 For many years it was dependent upon fees and the proceeds of the original endowment for its support, but in recent years an annual Church appropriation has been the chief source of its financial support. The first home of the institution was a mercantile building, standing on the present location of the Farmers and Merchants Bank, the upper story of which had been used for an Amusement Hall. Subsequently, this building, with several additions, was destroyed by fire. The school, however, resumed its sessions with the loss of but one day. The basement of the stake tabernacle, a store, and the First National Bank Building, housed the school for a short time.
