When a vile spirit awakens in the underworld, only sorcerer (and part-time death god) Marla Mason can save the world from devastation. From Queen of Nothing: She laughed. I m a trickster god, Rondeau. There are lots of us, waxing and waning in power, but I must say, I m pretty ascendant these days. Coyote and Kokopelli and Loki are all still around, but they re shaped and tethered by some old ideas. I m the god of layoffs and winning lottery tickets, of finding your soulmate on an online dating site and getting murdered by internet trolls, of sentient algorithms and disruptive technologies. I m the god of the singularity, the unevenly distributed future, climate change and private space flight. I m the god of the edge, Rondeau, where everything teeters and everything bleeds.
