Reviews

It is one of the most popular ebooks. I have got to study it and I am certain that I am going to likely read it again and again in the future. I am happy to inform you that this is actually the greatest ebook I actually have studied in my very own life and might be the best ebook for possibly.

HIGH HEELS BICYCLE WHEELS

HarperCollins Publishers, United Kingdom, 2014. Paperback. Book Condition: New. 197 x 130 mm. Language: N/A. Brand New Book. Meet Bryony: she's a fun-loving, very single TV production assistant whose idea of sport is the Jimmy Choo sales scrum. Meet Jackson: Cycling's bad boy superstar. Injured and out of a certain race this summer, without his training, he's looking for another distraction. Bryony's facing a triple whammy - her last single friend just named the day, her mother's offering to have her eggs frozen, and the guy she's loved from afar, forever, has just got hitched. So she's more than happy to accept the offer of a totally out of character but seriously steamy one night of no-strings fun. Especially when the guy in question is so attractive he even looks good in Lycra! Jackson's on the lookout for a new career but if the opportunity to work on TV means a fortnight with the most uptight woman in the world, he'd rather not bother. He never goes in for seconds - and who in their right mind would head off in a campervan, with a woman who irons her knickers? Add in a tandem (yes a tandem) and fast forward to double trouble for a summer neither of them will ever forget!.
