

Interdisciplinary Studies Today 58 Ections for Teaching and Learning-Tl)

By Tl

John Wiley Sons Inc, United States, 1996. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book. This volume of New Directions for Teaching and Learning is a practical compendium of advice and information on the development, administration, and assessment of interdisciplinary studies programs and schools. A bibliographic orientation to hands-on access, including electronic retrieval of information, precedes chapters reviewing the design of interdisciplinary courses, and how the role of administrators in interdisciplinary programs can further institutional goals. The final chapter looks beyond the local campus to national and international support networks. The contributors, who share their extensive experience in the teaching and administration of interdisciplinary studies, provide many examples of good (and bad) praxis. This is the 58th issue of the quarterly journal New Directions for Teaching and Learning.
