Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Golden Windmill and Other Stories As you know, it is considered rather provocative to launch a book of short stories. It is asking for trouble. The least I can do is to offer a brief apology; and I cannot do this Without writing a preface, which requires an apology in itself. Unless you are a Bernard Shaw you find a preface a most embarrassing business. Having written the stories I would rather talk about anything else - old furniture, for instance. Perhaps my best policy will be to start by attacking you, O Reader, friend or enemy, as the case may be. You are a most exacting fellow. Far more exacting than a reader of novels, or works of reference, or even his tomes; for the reason that your criticism follows a more circumscribed tradition. You are a kind of gourmet Whose palate is acutely sensitive to accustomed flavors and satieties. It is always easier to be an epicure of a small repast than of a banquet. A novel is less easily digested. You may enjoy it in parts, or derive satisfaction from the matter, or from the manner of telling, but With a short story you require a bonne bouche.
