Atria Books, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Dawn Miller s marvelous debut novel is a grand adventure -- and a glorious love story -- experienced with all the passion and yearning of a heroine you ll never forget: eighteen-year-old Callie Wade, whose hopeful heart is as rich with promise as the frontier, which calls her family from their Missouri farm to a new life out West. The Journal Of Callie Wade invites us into a world long vanished, brought to life once more in the pages of a young pioneer woman s diary. April 12, 1859: What you can t duck, you best welcome. That s what Mama used to always say, anyway. Even though it was in me to fight going West, I could n t; there s a light in Pa s eyes, a kind of hope that our Rose will find health and I see it in Jack s eyes, too. As wild and reckless as my brother can be, I know he dreams of better. When I look into Quinn s eyes I feel my own dreams, too. and the love. But everything is so unsure on the trail. Sitting here, staring at the scattered campfires of the train, I can almost hear the prayers to make it through another dust-choked mile, over another river, another birth. another death. Maybe Pa is right, maybe we ll all have a new chance at life in the West. But at what price? From bitter hardships to moments of shining joy, from unexpected friendships to Callie s blossoming love for Irishman Quinn McGregor, The Journal Of Callie Wade is a chronicle of courage and faith, an inspiring tale of hope and endurance to treasure for years to come.
