

The Psychology of Sales

By Dr. Harry Jay

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 54 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. How to Sell Using Psychology - The Psychology of Sales DOES NOT OFFER marketing ideas or marketing tips. What it does offer is sound science behind selling using psychology by offering psychological marketing strategies, psychology marketing research, and internet marketing psychology. It also teaches the psychology of price. Did you know that anything priced below 10 does not trigger a buying decision in a buyer? The Psychology of Sales is a must-read book. Using persuasion to sell is now passé. Using psychology to sell is the rage. Tired of lackluster sales and making little or no money. Do you want step-by-step instructions on how to advertise and market the right way? Dr. Harry Jay, one of the leading experts in behavioral science, is the author and the genius behind sales psychology. Order your copy today! This item ships from La Vergne, TN. Paperback.
