

## Pocket Photo Guide to the Birds of Sri Lanka

By Gehan de Silvia Wijeyeratne, Deepal Warakagoda

Bloomsbury Publishing PLC, United Kingdom, 2016. Paperback. Book Condition: New. T. S. U. De Zylva (illustrator). 190 x 95 mm. Language: English . Brand New Book. A compact, easy-to-use bird identification guide for any nature watcher on a visit to Sri Lanka, a rich and satisfying destination for watching birds with more than 430 species identified on the island. A total of 252 species is described here in detail, from the Black-rumped Flameback to the Ceylon Blue Magpie. All of these birds are clearly illustrated in a collection of specially commissioned colour photographs. With almost 300 full-colour photographs, easy-to-use thumbnail family silhouettes, a regional distribution map and handy tips on the best birding localities. Illustrated with clear colour photography and brief but authoritative descriptions the Pocket Photo Guides highlight the species of birds and animals from each region that the traveller is most likely to see, as well as those that are genuinely endemic (only to be seen in that country or region) or special rarities. The genuine pocket size allow the books to be carried around on trips and excursions and will take up minimal rucksack and suitcase space.
