This is so true, because in a number of countries all over the World, it is permitted for you to make all the wine you want free of license and tax but it has to be consumed on the premises where it is made. It must not be sold. It cannot be given away. You cannot even give as much as a bottle for raffling at a charity bazaar. So this book is going to tell you how you are going to grow your own wine plants, because I already wrote a book on winemaking some months ago. This book is being written under the assumption that you know a little bit of wine making and fruit growing, but if you want to refresh your knowledge, here is how you can make your own wine at home. A Beginners Guide to Home Winemaking: <http://tinyurl.com/jmyy29d> Many countries are trying to implement laws making it illegal for you to make any sort of wine at home, but they are playing a losing game. Winemaking has been the tradition, all over the World, for millenniums, and for centuries men have had their own family recipes and traditional recipes at home, passed...
