

The Making of a Philosopher (Paperback)

By Colin McGinn

HarperCollins Publishers Inc, United States, 2003. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Part memoir, part study, The Making of a Philosopher is the self-portrait of a deeply intelligent mind as it develops over a life on both sides of the Atlantic. The Making of a Philosopher follows Colin McGinn from his early years in England reading Descartes and Anselm, to his years in the states, first in Los Angeles, then New York. McGinn presents a contemporary academic take on the great philosophical figures of the twentieth century, including Bertrand Russell, Jean-Paul Sartre, and Noam Chomsky, alongside stories of the teachers who informed his ideas and often became friends and mentors, especially the colorful A.J. Ayer at Oxford. McGinn s prose is always elegant and probing; students of contemporary philosophy and the general reader alike will absorb every page.
