Dalkey Archive Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Grattan Fletcher and Suck Ryle are on the road, risking their dignity and occasionally their lives to renew the civic spirit of Ireland. Grattan is an idealistic, ageing civil servant who has enlisted Ryle, a skeptic prone to violent temper, in a quixotic quest to make a better Irish future for Grattan s granddaughter. Along the way, they encounter politicians, protesters, and power brokers, some of whom are fascinated and others only flummoxed by Grattan s wide sympathies and wild philosophical musings. In sprawling comic fashion, Grattan and Me addresses countless contemporary political, economic and ecological problems, allowing no person or institution to remain safe from ridicule.
