Mexico: Landscapes and Popular Sketches (Classic Reprint) (Paperback)

By Christian Sartorius

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Mexico: Landscapes and Popular Sketches In the following pages, the indulgent reader must expect neither a book of travels, conscientiously detailing every event from day to day, with the customary adjunct of the bill of fare, nor geographical-ethnological-statistical treatises, nor even a systematical enumeration of the natural history of Mexico: but views of the country, sometimes a mere outline taken at a distance, sometimes a more complete picture, drawn in the immediate vicinity, adorned with foliage and creeping lianas sketches taken from the life, in the palace or in the cottage on the far-extending savannah, or in the mine. During a long series of years I resided in a magnificent country, amidst the people and with them. As a member of the family, I beheld their do mestic life, and may, without appearing indiscreet, call attention to many features, which necessarily must escape the scientific traveller, and the professional tourist. Who ever is desirous of becoming thoroughly acquainted with Mexico, should study Humboldt s classical work: A political Essay on New Spain. Despite the changes which fifty years have called forth, both...
