Chiron Publications, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Psychopathy Within offers a new way of conceptualizing and defining psychopathy that is a convergence of the author's divergent professional experiences as a forensic psychologist and a Jungian-oriented psychotherapist and her personal life experiences over decades as a Jungian student and analyst. When her father died, the story of his life and their relationship ignited her curiosity about the meaning of psychopathy, enriching and amplifying what she already felt she knew from a wide range of experiences, study, and observations. The result is an invitation to explore this charged topic, psychopathy, with a new perspective that holds the potential for growth and healing. At the heart of the story is the power of eros—the devastating ramifications of its absence and the tremendous healing energy of its presence. Eve Maram's Psychopathy Within brings a cogent synthesis of Jungian and forensic perspectives, uniquely presented both clinically and from personal experience. A well-researched approach to psychopathy is followed by a vision for potential healing, providing hope and useful advice, and making this a valuable resource not only for clinicians, but anyone confronted with a psychopathic situation. -Robert Hinshaw, Ph.D., training analyst and faculty member of the C.G. Jung Institute of Zurich This book is an expression of the Feminine principle of Eros. Guiding us through the labyrinths of the human heart in its experience of psychopathy, an experience described qualitatively by Dr. Eve Maram as a sense of something deep within that is missing and that exists in a dormant continuum with all of us, Dr. Maram draws on her experiences as a forensic psychologist, a Jungian therapist, and most centrally, a daughter to a father who suffered from psychopathy, to challenge the strict separation...
