Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which it basically changed me, modified the way I really believe.

Walker Books Ltd, United Kingdom, 2014. Hardback. Condition: New. Language: English . Brand New Book. 1848, West Africa: a tribal princess intended for sacrifice is rescued and presented to Queen Victoria. This is her extraordinary story. Captured, and about to be killed, a young African princess is dramatically rescued by a British naval officer. Taken to England, she is presented at court to Queen Victoria. As an important friendship begins, Sarah embarks on a whole new life. This incredible true story is retold alongside real letters, photographs and historical documents. Recounted with insight and empathy by Walter Dean Myers, the US National Ambassador for Young People s Literature 2012-2013, this is an important reflection on royalty, race, class, belonging and - above all - identity.
