

Liar, Liar, Pants on Fire: Obama in the White House (Paperback)

By Martin Reott, Patricia Reott

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Liar, Liar, Pants on Fire: Obama in the White House looks at some of the ways that Barack Hussein Obama has lied to the American people. It is especially important to note that Obama followers appear to swallow every lie handed down to them by the Great Teleprompter and never bother to check facts. In addition, they become enraged and start the name calling when the truth is revealed. Does Obama think his supporters are stupid? Don t they know the border fence is NOT finished? Don t they know Obama was born 5 years before the Selma civil rights march that he claimed caused his parents to decide to give birth to him? After fact-checking Obama s many speeches, there is only one conclusion that right-thinking Americans can come to: If Barack Obama s mouth is moving, he s telling a lie. Is he a pathological liar? Or is he a narcissist that doesn t know the difference between reality and his own worldview. Read Liar, Liar, Pants on Fire: Obama in the White House and decide for yourself.
