SEVEN THEOREMS IN SEARCH OF THE EUROPEAN PARLIAMENT: FEDERAL TRUST PAPER

Federal Trust for Education & Research. Paperback. Book Condition: new. BRAND NEW, Seven Theorems in Search of the European Parliament: Federal Trust Paper, David Coombes, While the constitutional role of the Parliament within the system of governance of the EU has advanced markedly, its sociological relevance remains at low ebb. More generally, it is clear that, despite the widening scale and scope of EU-level powers, the salience of specifically EU politics remains low. From a utilitarian perspective, whatever it is...
