Paperback. Book Condition: New. Not Signed; Description: Sunday Times bestseller We have a lifetime's association with our bodies, but for many of us they remain uncharted territory. In *Adventures in Human Being*, Gavin Francis leads the reader on a journey through health and illness, offering insights on everything from the ribbed surface of the brain to the secret workings of the heart and the womb; from the pulse of life at the wrist to the unique engineering of the foot. Drawing on his own experiences as a doctor and GP, he blends first-hand case studies with reflections on the way the body has been imagined and portrayed over the millennia. If the body is a foreign country, then to practise medicine is to explore new territory: Francis leads the reader on an adventure through what it means to be human. Both a user's guide to the body and a celebration of its elegance, this book will transform the way you think about being alive, whether in sickness or in health. Published in association with the Wellcome Collection. book.
