His wife, Lily, suspects that his imprisonment is part of a cover-up, and that more powerful men than Simon will do anything to prevent their own downfall. She knows that she too is in danger, and must fight to protect her children. But what she does not realise is that Simon has hidden vital truths about his past, and may be found guilty of another crime that carries with it an even greater penalty.

*This ebook could be well worth a study, and superior to other. It really is basic but unexpected situations inside the 50 % of your ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
