*Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Quercus Publishing, United Kingdom, 2011. Hardback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. It s estimated that up to 14 million British men and women suffer from stress - the number one reason for absenteeism at work. In America, this figure is nearly 50 million. A recent survey suggested that nearly 90 of all visits to GP surgeries in the UK were stress related. Some stress helps your body to prepare for certain challenges, so it s virtually impossible to live without any stress. But too much stress, especially if it s day in, day out, can cause serious physical and emotional problems. Cut Your Stress provides a 12-week programme proven to help you reduce your stress levels and includes answers to frequently asked questions, such as: \* What are the main causes of stress? \* I feel overwhelmed - how can I manage my time better? \* How can I relax after a tough day? \* Can stress affect my sleep patterns? \* What type of exercise is best for relieving stress? Cut Your Stress demystifies the subject of stress quickly, clearly and concisely. It is packed with accessible information about its causes and effects, as well as expert advice on management techniques such as the removal or alteration of the source of stress. Also covered are: learning to change how you see a stressful event; reducing the effect of stress on your body; and learning alternative ways of coping.
