Excerpt from The First and Second Annual Reports of the Geological Survey, Missouri Justice and grateful memories prompt us to mention our numerous obligations to the citizens of Missouri for the sympathy and aid everywhere bestowed upon us while prosecuting our labors. The Survey is particularly indebted to his Excellency, sterling price, the Governor of Missouri, for the prompt manner, in which he has rendered the Survey all the cooperation necessary to secure its progress and success. The Curators and Faculty of the State University, have greatly facilitated our labors by inviting us to occupy its spacious apartments, with free access to its Library, Laboratory and Apparatus. We are, also, under like obligations to Dr. Pope and other members of the Faculty for similar facilities in the St. Louis Medical College, where the Chemical Department is located. General Loughborough has rendered essential service in granting us free access to the maps and charts of the General Land Office. The Officers and Engineers of the various Railroad Companies in the State, have greatly facilitated our labors by their courtesies in furnishing the Survey with maps and profiles of the roads surveyed; but we are particularly indebted to the Hannibal and St. Joseph Railroad Company for placing Maj. Hawn under our direction to make the Survey along the line of that road, and to Professor G. C. Pratt, and Mr. Geo. C. Broadhead, for sections and specimens collected.
