Millennium Falcon: Star Wars Legends (Paperback)

By James Luceno

Del Rey Books, United States, 2009. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Climb aboard, buckle up, and prepare to jump to hyperspace for a dazzling adventure aboard the ship that launched a thousand fates. Two years have passed since the death of the brutal Sith Lord Darth Caedus—once known as Jacen Solo. The galaxy is slowly healing from civil war, while Jacen's family and friends are left to mourn his loss alone. For Han and Leia, still grieving for their son, the only bright spot is Jacen's daughter, Allana, who has been given into their care. Now Allana introduces new adventure into her grandparents' lives when she discovers a strange device hidden aboard the Millennium Falcon—a discovery that sparks a fact-finding expedition to retrace the people, places, and events in the checkered history of the famous spaceship. But the Solos are not alone in their quest: Crime lords, galactic pirates, rogue politicians, and fortune hunters alike will race to a final standoff for a prize some will risk everything to find—and pay any cost to possess.

Reviews

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).

Absolutely among the finest pdf I have got possibly read. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
