By Malik Ih

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Cupping therapy is a conventional therapy for diseases and can produce unexpected and unique curative effect. This is one of the cupping therapy book with contents, and clear explanations in English, this book will be very a useful reference for clinicians, medical students and alternative medicine practitioners as well as those who are interested in self care and treatment. Cupping therapy has been further developed as a mean to open the "Meridians" of the body. Meridians are the conduits in the body through which energy flows to every part of the body and through every organ and tissues. There are five Meridians on the back that, when opened allow invigorating energy to travel the whole length of the body. It has been found that cupping is probably the best way of opening those meridians. Cupping brings fresh blood to the area so it tends to improve circulation. It also helps to open up the chest and arteries and benefits the lungs and can even benefit menstrual problems and digestive problems, too. Most commonly its used for aches and pains of...
