It's about a new form of internet-based business, where you market your knowledge and expertise. From the woman who created her venture with a toddler underfoot, to the stressed advertising exec turned nutritionist, to the lawyer who took a leap of faith, Mel conducts interviews and profiles each mumpreneur's individual story and the secrets of their success. Offering practical information and tips on how you can do it too, 'Millionaire Mumpreneurs' covers many aspects of building a virtual business at home: from social-media marketing and multiple incomes to fitting your business around your family life.
