By John S. Grabowski

Catholic University of America Press. Paperback. Condition: New. 197 pages. Dimensions: 8.8in. x 5.9in. x 0.6in. Contemporary western culture is awash in ideologies that reduce sexuality to an outlet for pleasure, an ecstatic form of release needed for personal fulfillment, or a commodity to be bought and sold. Many Christians living in such a culture find themselves uncertain as to how to respond from within churches torn by controversy, embarrassed by scandal, and thus driven into uneasy silence on sexual matters. Catholic moral theology, itself at the epicenter of this controversy over sexual issues since *Humanae vitae*, has struggled to respond to the call for renewal issued by the Second Vatican Council. This book provides a theological foundation for consideration of the moral dimensions of human sexuality from a Roman Catholic perspective. Drawing upon key biblical themes such as covenant, discipleship, and beatitude, it proposes an understanding of covenant fidelity wedded to the virtue of chastity that provides a suitable framework for a Catholic and Christian approach to issues of sexuality in a contemporary context. What is needed to counter dominant cultural ideologies is a vision of sexuality as integral to the human vocation to communion as well as attention to...

Reviews

It is one of my personal favorite publications. Indeed, it is actually perfect, still an amazing and interesting literature. It has been printed in an exceptionally easy way which is merely soon after I finished reading this book where it really altered me, change the way I believe.
