To save **The Fundamentals of Ethics** eBook, you should refer to the button under and save the file or gain access to other information that are relevant to THE FUNDAMENTALS OF ETHICS ebook.

Oxford University Press, United Kingdom, 2014. Paperback. Book Condition: New. 3rd Revised edition. 208 x 140 mm. Language: English . Brand New Book. In *The Fundamentals of Ethics, Third Edition*, author Russ Shafer-Landau employs a uniquely engaging writing style to introduce students to the essential ideas of moral philosophy. Offering more comprehensive coverage of the good life, normative ethics, and metaethics than any other text of its kind, this book also addresses issues that are often omitted from other texts, such as the doctrine of doing and allowing, the doctrine of double effect, ethical particularism, the desire-satisfaction theory of well-being, and moral error theory. Shafer-Landau carefully reconstructs and analyzes dozens of arguments in depth, at a level that is understandable to students with no prior philosophical background. The text is supplemented by an online Instructor's Manual and Computerized Test Bank and a Companion Website with student self-quizzes and additional resources. Ideal for courses in introductory ethics and contemporary moral problems, this book can be used as a stand-alone text or with the author's companion reader, *The Ethical Life: Fundamental Readings in Ethics and Moral Problems, Third Edition*.
