A Brief Psychotherapy for Personality Disorder

By Don W. Ebrahim

Austin Macauley Publishers. Paperback. Book Condition: new. BRAND NEW, A Brief Psychotherapy for Personality Disorder, Don W. Ebrahim, A Brief Psychotherapy for Personality Disorder introduces Traumatic Separation Theory as a new approach to treatment. It combines traditional with contemporary behavioural, biological, cognitive, and humanist concepts. Traumatic Separation Theory creates a shared paradigm with more intelligibility, which can explain and predict the categories, comorbidity, and coexistent psychopathology of Personality Disorder. It offers hope to all those diagnosed with Personality Disorder, and shows a way forward for therapists and professionals involved in offering treatment and support. Dr Don Ebrahim, a GP for over twenty-five years, and a psychotherapist for the past thirty years, has drawn on his extensive training and considerable clinical experience to arrive at this Brief Psychotherapy for Personality Disorder - a crystallization of new ideas that challenge conventional approaches that have failed in the treatment of Personality disorder and other psychological conditions. Dr Ebrahim has been internationally recognised as a major contributor to the development of a psychological and physiological understanding of traumatic separation, to treat a whole range of conditions, that have their roots in traumatic childhood separations under the age of ten, before logic and reason has...
