## GENDER AND SEXUALITY: SOCIOLOGICAL APPROACHES (PAPERBACK)

Polity Press, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. This new introduction to the sociology of gender and sexuality offers a fresh take on the importance of these concepts in modern society. It provides an insight into our rapidly changing attitudes towards sex and our understanding of masculine and feminine identities, relating the study of gender and sexuality to wider social concerns throughout the world and presenting a comprehensive yet readable summary of recent research and theory. In an accessible and engaging style, the book demonstrates how thinking about gender and sexuality can illuminate and enliven other contemporary sociological debates about social structure, social change, and culture and identity politics. Emphasis is placed on the diversity of gendered and sexual lives in different parts of the world. The book offers detailed coverage of wide-ranging topics, from international sex-tourism to celebrity culture, from gender in the work-place to new sexual lifestyles, drawing examples from everyday life. By demonstrating the links between gender and sexuality this book makes a clear case for thinking sociologically about these important and controversial aspects of human identity and behaviour. The book will be of great value to students in any discipline looking to understand the roles gender and sexuality play in our lives.
