Charlesbridge Publishing, U.S., United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. From First Ladies Names to Australian Open Winners, from Katy Perry to The Simpsons: this chunky book of puzzles has enough word searches to keep solvers busy for a full year! It's a fun way to give your brain a great workout--and train your powers of concentration, too. Every one of the word searches has a theme, from Terms of Endearment to Deserts of the World. But watch out: some are easier than others. For easier solving, go for pop culture topics old and new like 1950s Golden Oldies, Bruce Springsteen, or Scary Movies. Try something sports related--perhaps In the Ballpark or Orange Bowl Winners. Want something more challenging? Take a look at the list for G Words. Every one begins with the letter G, so it's harder to find what you're looking for. (And some words, like Growing and Goggles, have two or three). As you move along, the puzzles contain more words, or longer ones, raising the difficulty level. Supercharge your brain and get yourself a year's worth of entertainment at a great price!
