*It is one of my personal favorite books. It is one of the most incredible ebooks I have ever gone through. You will not feel monotony at any moment of your own time (that's what catalogues are for relating to if you ask me).

Carlton Books Ltd, United Kingdom, 2015. Hardback. Condition: New. Reprint. Language: English . Brand New Book. Have you ever noticed how that the woman across the road has a hairstyle almost identical to that of her mother? Maybe the idea of dandelion and burdock tea - repulsive to your taste buds at tea-time in your youth - is actually quite palatable. Does the old family ritual of ironing all clothes, including underwear, somehow seem quite reasonable today? Was that phrase you could have an eye out with that now readily come from your lips, too? Let s face it: you are turning into your Mum! Try as you might this is a battle that is doomed to failure, however glorious. This book helps you make the transition from wide-eyed dreamer to wise old counsel. Illustrated with 50 wickedly apt cartoons and broken down into ten chapters, women on the verge of a mid-life crisis will find Help! I m Turning Into My Mum! to be a welcome comic relief. After all, who told you about the book in the first place? Your mother, of course!.
