Do you dream of how to effectively utilize the space within your cubicle? Want to make more money? Do you want a book that will make all your career goals come true? Then this is NOT the book for you. Dr. Richard Cranium pHd, BS, ADD, ADHD, CFS has consolidated decades of bitterness and snarky comments into one easy read. If you want the secrets of successful slacking, interoffice romance and integrated daydreaming, interspersed with hilarious stories and features about that thing we all love to hate: Work. As a bonus, you ll finally know how to effectively blame your parents for all your shortcomings, learn to envy the janitor, and resent your younger self. Never before has a more incomplete guide to attaining the American Dream been assembled in one place. Just touching this book will possibly cause your next review to drop three points. Just remember, it s not the venerable Dr. Richard Cranium s fault, he s just the messenger. Fun chapters include: Why was I so damn much smarter when I was seven years old?5 A tale of two workers8 Opening my eyes to my little problem 12 Work sucks and you shouldn t do it if at all possible17 Why you are less valuable to your company than a Copy Machine22 Why you will work your whole life to die in poverty27 Do you deserve a raise? # that, you re probably overpaid31 Why you will never be in the top echelon of your company34 Why you earn less than the CEO spends on a haircut37 Why you should envy the Janitor42 Salary slavery and why you...
