This is comical retelling of an Indian legend from the Punjab, about a lazy barber and his quick-witted wife. When the barber drives away all his customers with his slapdash techniques, his wife sends him to the king to seek financial help - or else they ll starve. The king provides them with a plot of barren land, but thanks to the clever wife s fertile imagination the couple s fortunes take a turn for the better. But will her ingenuity be any match for the trickery of a persistent band of thieves, determined to cash in on the couple s new-found success?.
