Baker Publishing Group, United States, 2001. Paperback. Condition: New. Language: English . Brand New Book. Bestselling author Dutch Sheets will inspire and encourage readers with this clear, revelatory study of God s appointed times and seasons. Going beyond the basic definitions of kairos and chronos, Sheets brings fresh insight to the subject, examining Scripture to show how kairos (strategic) times and chronos (general) times are not two separate and unrelated seasons in our lives but, rather, are often simply different phases of the same process. He discusses how God brought about His divine shift in the lives of men and women throughout the Bible and the many ways in which God used these seasons of change to deepen His people s understanding of Him.
