This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

BRAND NEW, How I Beat Fischer's Record: Judit Polgar Teaches Chess: 1, Judit Polgar, "Notions of chess have been shattered by a teen-age Hungarian girl - some call her modest and soft-spoken, but many opponents know her as a ferocious tiger over the board - who after years of steady progress began breathing down the necks of the top men and now has broken the barrier of one of the worlds most exclusive clubs: she has earned the rank of grandmaster at 15 years, 5 months, one month younger than Bobby Fischer when he did it 34 years ago." New York Times, 1992 Great achievements often take a lifetime of preparation, but when these achievements are becoming the World Number 1 woman chess player at the age of 12 and the youngest ever grandmaster at the age of 15 you have to start early! In this very personal book Judit Polgar describes her early moments of success and the chess ideas she needed to master to achieve them. This exceptional book is the beginning of a unique project where one of the greatest players of our time transforms her personal journey to the top into a road map for everyone who ever wanted to better themselves in the game of chess.
