It might take some time but you can do it. Abraham obeyed God and he walked toward a land of promise and so did his descendants who would inherit the promise. We are the children of God and the seed of Abraham. This land is territorial. It s what the property is; land, the ground or soil. The land could be a country or nation. It s about the soil on your piece of property. We must inquire if it is good soil. A territory is an area under the jurisdiction of a nation, or an assigned area; perhaps a large tract of land. So therefore, it s no doubt that territories need to be prayed over. When you are in position to possess the land you have to know what to do with this territory. A transformation must begin to take place in your life. Your burdens will eventually become lighter when you give in to the Lord and surrender to Him and you are transformed. Learn how to step into your territory. A change will take place in your mind and the anointing will be over your life so that you can succeed. Step into your destiny and learn to possess the land!.
