Diversion Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. You ever really think that you ll win the lottery? Meet Mr. Right? How about two Mr. Rights? Somehow the universe is handing me everything I want (except for that lottery part.), and I don t like it. Not one little bit. Because just when you get all your dreams handed to you on a silver platter, that s when an airplane dumps its sewage on your house. Or your mama s diabetes takes a bad turn. Or your mobile phone gets stuck in your hoohaw. (What? It happens.) Boring old average me got everything I wanted already, moving from small-town Ohio to big-city Boston to follow my heart. So when the fancy invitation offering me a pile of money to come with the band, Random Acts of Crazy, to perform on an island resort and be their manager arrived, I thought it was a cosmic joke. Enough money to help my mama get what she needed, five days in sunny paradise, and a shot at greatness for the band? Unreal. One big shoe was waiting to drop. On my head. Just like no one really ever finds a naked man wearing only a guitar standing by the side of the road hitchhiking and ends up falling in love with him and his friend and moving halfway across the country for true love, no one gets an invitation to come to what turns out to be a resort where people make what me and Joe and Trevor do together look like a chaste peck on the cheek. But. Well. I guess these things do happen. To me.
