Sage Publications Ltd, United Kingdom, 2004. Hardback. Book Condition: New. 2nd Revised edition. 247 x 177 mm. Language: English . Brand New Book. This is a challenging book and makes for uncomfortable reading at times because one realises that there is so much more to be accomplished in education. How can the teacher who wants to follow this further find out more? Barbara MacGilchrist, Jane Reed and Kate Myers have given the next step: each chapter has a conclusion and questions for discussion and activities which are very open and will lead to considerable introspection - Education Review I have rarely been so enthusiastic about a book. Reviewers are supposed to highlight some imperfections - I am at a loss. Recommend this book to all you meet - Mervyn Flecknoe, Improving Schools This book would be an invaluable read for all who work in schools including LEA advisors, inspectors and consultants. It contains a chapter on teachers learning and has some excellent questions for discussion at the end of each chapter that could usefully stimulate ideas for staff development sessions. It would be great if this book were read and taken seriously by those who make policy as well as those who try to put it into practice - Escalate The book is easy to use, clear, well organized, full of practical examples and equally practical questions. It could be a signpost to the future - if the days of educational diktat are really almost over - Michael Duffy, Times Educational Supplement, Friday Magazine This Second Edition of The Intelligent School offers a concise and accessible insight into the key aspects of educational leadership. In my view, it ought to be read by anyone who is keen to develop their understanding of theoretical frameworks expertly illustrated through practical examples -...
