**GIRL ONLINE: GOING SOLO: THE THIRD NOVEL BY ZOELLA (PAPERBACK)**

Atria Books, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Award-winning YouTuber and blogger Zoe Zoella Sugg presents the third novel in her New York Times bestselling Girl Online series. Every time I walk around a corner there s another reminder of him. Even though I m sure he must be far away from where I am, I keep thinking I see him in a crowd of people just ahead of me. Am I going crazy? You know that saying that goosebumps happen when someone walks over your grave? That s the same feeling I get--shivery, cold, a little bit scared--and it always makes me feel a bit pathetic. What can I do to drive the ghosts away and feel normal again? Penny s life is back to normal. As she starts the school year, she s ready to face the world--alone. Noah has gone off the radar after ending his world tour early, and no one, including Penny, knows where he is or why he s left everything behind. So when Penny accepts Megan s invitation to visit her performing arts school, it seems like an opportunity to make some new friends. Helping everyone else might be the right remedy--Elliot needs her friendship more than ever, as does her new friend Posey, who she can really help deal with her stage fright. And when charming Scottish photographer Callum comes along, Penny has more than her fair share of distractions. But is he the right kind of distraction? Can Penny truly move on when Noah s shadow seems to haunt her around every corner?.
