Lulu.com, United Kingdom, 2013. Pamphlet. Book Condition: New. 280 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Cat and Bug are friends. In this simple, colorful, level one phonics book, they take young learners on a journey through short vowel sounds and sight words. Youngsters learn words like: ran, sat, the. The simplicity helps your youngster develop reading patterns that will enhance her or his learning. Children look for the little red bug on every page and at the end they get to answer questions about the story, look for differences between pictures, and much more, in the activity pages. The Looking, Listening and Thinking page has thought provoking questions for the young reader. This is one in our series of phonics books, written by Chris to help a first grade student master reading. We are now creating more of them for beginning readers. Keep watching for them on many sites. Search - Chris Morningforest.
