Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Follow the careers and lives of Detectives Jose Plato Gomez and Gary Arlaud of the Virgin Islands Police Department in St. Croix, the big isle. This is the first of a four book series spanning their lives from the 1960s-1980s This novel is an amalgam of truth and fiction. All of the events described are based on actual occurrences, some of which have been slightly altered for the sake of dramatic unity. Some of the characters are a combination of several people; this allows a consolidation for literary efficiency. For example, Jose Gomez looks nothing like the character of Plato. Nevertheless, Plato has the best elements of the real Jose Gomez, driving what the character should be. The real people know who they are, and without them, this story would not have been possible. The names of living policemen have been changed to protect the privacy of those who were there. Some dates have also been chronologically adjusted. This story takes place at the end of an era. The story of what it was to be a Cop, and how Cops got the job done. Within ten years Police, work was turned inside out. Driven by the stiffer mandates of the Miranda decision, governments finally starting to pay realistic wages to, attract and retain professional policemen. The Federal Government began to share funds through the L.E.A.A. Most of all, the advent of computer technology did more to overhaul the law enforcement profession, and culture, than any other single factor. Technological advancements drove law enforcement in both the weapons and forensics departments to heretofore-unbelievable heights. For example, think of Americas favorite small town cop, Barney Fife on the Mayberry PD,...
