Sourcebooks, Inc, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Witty, sexy and hard to put down. --RT Book Reviews Undine Douglas is playing a dangerous game in the early 1700s, spying on the English to help the Scottish Highland clans. She can work her magic on anyone--except for the sexy distraction she pulled out of the 21st century. In a quest to bring peace to her beloved Scottish borderlands, fortune-teller and spy Undine Douglas agrees to marry a savage English colonel. Desperate to delay the wedding long enough to undermine the army's plans, Undine casts a spell to summon help and unexpectedly finds herself under the imperious gaze of the handsome and talented Michael Kent, twenty-first century British theater director. Though he abandoned acting years ago, Michael will play whatever part it takes to guard Undine's safety--he's used to managing London's egocentric actors and high-handed patrons, after all. But not even Shakespeare could have foreseen the sparks that fly when the colonel's plans force Undine and Michael into the roles of their lifetimes. Sirens of the Scottish Borderlands Series: Just in Time for a Highlander (Book 1) First Time with a Highlander (Book 2) Every Time with a Highlander (Book 3) Praise for First Time with a Highlander: Another charmer, guaranteed to set off the kind of sexy fireworks Cready's fans expect. --RT Book Reviews 4 stars Dashing, breathtaking, a sexy time-travel romp. --Publishers Weekly STARRED REVIEW A delicious discovery. -Kilts and Swords.
