HEINRICH VON TREITSCHKE (CLASSIC REPRINT)

Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Heinrich Von Treitschke Dealing with one of the wizards who are just now generally held responsible for the intellectual ingredients seething in the cauldron of the Unjust Cause, this small volume does not profess to be an exhaustive exposition of Treitschke s doctrines. Nor has any attempt been made to give the full genesis of the Thinking-shop of which he was a disciple. To do so would necessitate a compendious work. The Unjust Cause, the first that contrived how to speak against both law and justice, is shown to be inferior in argument; but certain good points in Treitschke have not been left unmentioned. The wise learn many things from their enemies! said Aristophanes. The shortcomings of this book are caused by the difficulty of condensing the vast and complex subject-matter within the scope of a few short chapters, and by the writer s inability to devote a great deal of time to its production. I have to express my indebtedness to Professor Caruthers, of the University of Toronto, and to J. Charlton Hipkins, Esq., M.A., for their kind assistance in reading the proofs. Thanks are due to Mr. F. Lawrence, Barrister, of Lincoln s Inn, for translating some extracts; and acknowledgments must be made to Messrs. Allen and Unwin for a few passages taken from their book Heinrich von Treitschke and His Work. For the guidance of those readers who may desire to make a more detailed study of Treitschke s line of thought, a bibliography is appended. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical..
