I do not have any experience to talk about. like the title of the book said. and hardworking. - General Asia segment sales champion Yamada first two in Asia. there are many hard-working employees in the enterprise. but there are a lot of just hardworking staff and lack of professionalism and strategic vision. how diligent and dedicated to these people. I research topic. This book can give us a lot of inspiration. - Harvard Business School. Harold is usually the case. the hard-working means to pay more. take less. it is not true. the story of the book allows us to see the hard-working staff. is the most long-term planning. but also the most intelligent Staff - Microsoft Jie Kefu Rhodes Summary in a company. not a person of outstanding talent. it is easy to get the upgrade. only hard work and dedication. and good skills development opportunities will recognized by more people. Priority in today's society. efficiency. efficiency has become the lifeblood of the company - as a company. you need to be in tune with the pace of development of the entire company. How to improve efficiency and make more valuable things in the same time. starting from their own. and...
