By Monica Davis

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. Let me start this way, as I refer to Wikipedia for more information on this raging issue in contemporary families, that has almost turn most home to a battle zone! Yes, I am talking about the teens issue, and I am in no doubt that you are aware of this same challenge that is giving many parents sleepless night and to be frank with you, many of this young adults found in this age bracket are also having a running battle explaining what is going on within them. Now, I remember this same age group we readily call teens age . is also known as Adolescence, a word derived from a Latin word, adolescence, which means to grow up ; well, this same word is defined as a transitional stage of physical and psychological human development that generally occurs during the period from puberty to legal adulthood or the age of majority. The period of adolescence is most closely associated with the teenage years, though its physical, psychological and cultural expressions may begin earlier and end later....
