

The Wrath of the Invisible Sword (Paperback)

Filesize: 4.92 MB

Reviews

This type of book is every thing and made me seeking forward and more. It is amongst the most awesome publication we have go through. Its been developed in an exceptionally straightforward way and it is only soon after i finished reading this ebook by which actually altered me, alter the way i believe.

THE WRATH OF THE INVISIBLE SWORD (PAPERBACK)

Createspace, United States, 2012. Paperback. Condition: New. Marie C Relta (illustrator). Language: English . Brand New Book ***** Print on Demand *****.In 24 hours, the world as we know it will end. A 26,000 year cycle of gigantic solar storms is about to begin. The size and destructive power of these storms will eclipse anything in recorded history by an order of magnitude. The monster magnetic pulses that accompany these massive solar storms have already begun to overwhelm the magnetic field of the Earth; causing it to fall so far in strength, it s effectively gone in places. Intense radiation and charged particles from the first wave of solar storms have begun the irreversible destruction of almost all the LEO satellites in orbit. Now the debris is causing dangerous interference with electronic devices on the ground. In the middle of this madness, a mysterious and ancient artifact, which is somehow connected to the solar cycles, quickly manages to become more of a threat to the future of mankind than the looming doomsday disaster. From there, a high-speed adrenaline-filled series of events unfold, leading to non-stop action in a race against the clock, as the consequences from the first waves of the storm begin to develop a complex web of intrigue that could lead to the end of the world, even without the impending solar storms. - - - - - THE WRATH OF THE INVISIBLE SWORD is the sequel to the exciting and action filled, THE EMPTY EGGS OF BURNING LIGHT and the fourth book in a hard sci-fi series so addictive, some readers have called it a drug. THE WRATH OF THE INVISIBLE SWORD starts at the exact scene the last novel ended. But the countdown to the end of the world has only 24 hours...
