Do your money problems keep you up at night worrying? Do you stress about not having any money left to pay your bills after buying basic necessities? Does it seem like no matter how much you pay off, your debt only increases? More and more people are finding themselves struggling with debt, whether it is from their massive student loans, the mortgage on their home, car loans, or credit card debt. Even those who have great paying jobs often will end up living from paycheck to paycheck. Stop making choices that are driving you further into debt. For the first time, two bestselling money management books have been collected into a single volume, Debt Free Forever. This definitive collection tackles some of the most serious problems those who are in debt suffer from, namely a poor credit rating and living well beyond their means. With Debt Free Forever, you will learn techniques that will help you repair your credit as well as strategies that will help you live much...
