Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.This book is a fictional account of what it might be like to live through the Great Tribulation. In the first part of the book, eighteen different characters are introduced and then followed through the events of the Tribulation. This book accepts a basically literal interpretation of the various events. So it tries to give realistic scenarios for each situation. When reading the book of Revelation, one will read about seven seal judgments, seven trumpet judgments, and seven vial judgments. One will also read many seemingly unrelated events that are also happening. The way to understand the whole book is to realize that the Apostle John as author had been describing two timelines that had both been happening at the same time. In other words, the whole Tribulation lasts for seven years. The seal, trumpet, and vial judgments run consecutively and also last for seven years. The second timeline which presents more about the activities of the antichrist also runs for seven years. Therefore, the apostle had overlapped the two timelines into the one book of Revelation. The next thing that one might note in this text is that the eighteen people about which the story will be presented have been given some fairly ridiculous names. However, those names are symbolic because they have been used to describe the types of people. The hope in writing this book is that the Lord will be glorified by the study and the presentation of His Word. His Word is truth. So every attempt has been made to accurately and intelligently present those truths. An obvious goal is to encourage anyone that does not know the Lord as personal savior to come...
