Createspace, United States, 2011. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. Much has been written about the secretive cult known as The House of Yahweh in Abilene, Texas. Media luminaries, the likes of Dr. Phil, Nancy Grace and ABC's Brian Ross, as well as documentary producers from The BBC and from Germany have probed into the organization seeking to expose their agenda. Enough newspaper stories about The House of Yahweh and their 77 year old Pastor/Overseer, Yisrayl Hawkins, have been written to fill volumes of books, yet no one has ever plumbed deeply enough to answer the really critical issues. No one that is, until the author of this authoritative expose produced a truthful examination of the facts. Finally, readers can enter the inner sanctums of this most fascinating cult and discover who they are and why they have offended so many people today. Should we be alarmed by their appearance at this particular point in time? What are the secrets of their arrival during this period of extreme tribulation that is wracking the world? Yisrayl Hawkins, the former rockabilly singer, cop and real estate millionaire, says he is Yahweh's last days witness but can we believe him? The media says he is a con man. He shepherds his flock, encouraging them to learn and practice the 613 Laws of Yahweh. His non-traditional teachings of the Bible include: Satan is a woman, the former wife of Yahweh who convinced one-third of their children to leave with her when she rebelled and was ultimately thrown out...
